Dear Mr. Barnard,

RECOGNITION OF LIGHT STEEL FRAME CONSTRUCTION BY THE NHBRC

This letter serves to confirm the enrolability with the National Home Builders registration Council (NHBRC) of homes of light-steel frame construction built in accordance with the South African standard SANS 517:2009.

This compliance shall be deemed to satisfy as per the Application of National Building Regulations SANS 10400:1990 and associated amendments, however the NHBRC reserves the right to request further information to verify fitness for purpose and manage the risk to the Warranty Fund provided for under the Housing Consumer Protection Measures Act 95 of 1998 and associated amendments and regulations.

For more information please contact: Paimaan Byron on 011-317-0258, 083-753-4513 and Xolo Mlake on 011-317-0236.
